

Google Hangout allows interaction in real-time via the Internet. Students may be required to meet your instructor in real-time via the Internet. You can access Google Hangouts to ensure everything is working. To meet with your instructor, make sure you have arranged a time to meet by emailing your instructor or using a scheduling tool.

Use the link at www.raytoteach.com to begin the sign-in process. Select either Ray's or Amanda's Hangout depending on your instructor.

All students have a Google account so you will be directed to sign-in to Google using your Aims email address and Aims password.

One account. All of Google.

Sign in to continue to Hangouts

A sign-in form with a grey background. At the top is a grey circular profile picture placeholder. Below it are two input fields: "Email" with the placeholder text "Type in your Aims email address" and "Password" with the placeholder text "Type in yours Aims password". Below the fields is a blue "Sign in" button. At the bottom left is a checkbox labeled "Stay signed in" and at the bottom right is a blue link "Need help?".

After signing into Google, you will need to sign into Aims using your User Name and password. Username is the first part of your email.

You will also need to sign into Aims
